

# URBAN LAB '18

MILAN  
4.-10. JUNE 2018

Urbiquity Urban Lab '18 - Milan

4. - 10. June

Programme

URBIQUITY ASSAB ONE

YESMILANO

## Monday 4

9:00 / 10:30 - Milan Urban Lab presentation at Caffè della Pusterla

10:30 / 13:00 - "Milan an introduction" from Colonne di San Lorenzo to Piazzale Loreto. Grasping Milan context and history: a guided walk through key locations to understand Via Padova from the urban history and morphology of Milan

13:00 / 14:00 - Lunch break

14:00 / 19:00 - Guided walk through key locations to understand Via Padova. Along the walk we will meet relevant local individuals and associations that reflect the rich melting pot of Via Padova neighbourhood. The walk will also include the visit at Assab One, the Independent Art centre that will host the Lab's encounters during the rest of the week.

## Tuesday 5

9:00 / 10:30 - Project consultation, orientation and reviews session at ASSAB ONE. We'll discuss individual ideas, project development, get city tips, advices, support etc.

10:30 / 17:00 - Individual work: participants are invited to freely discover the area and to start defining the parameters for their projects.

17:00 / 19:00 - Encounter with local experts at ASSAB ONE. Theme: "Proposing alternative methodologies of approaching the Urban"

Speakers:

- **Monica Sassatelli** - *Space, place and the sociological imagination*

What is place, for a sociologist? And, once we have a definition, how do we account for places' continuous state of transit? In this session we will look into some of the theoretical and methodological contribution a sociological imagination can bring to these pressing questions in our times of urban growth and crisis.

- **Urbiquity** - *Urban Methodologies in transit.*

An insight on relevant projects and research methods carried on during the past editions of the Urbiquity Urban Lab.

## Wednesday 6

9:00 / 10:30 - Projects feedback and orientation session at ASSAB ONE to discuss individual ideas, project development, get city tips, advices, support etc.

10:30 / 17:00 - Individual work: participants are invited to carry on with their projects.

16:30 / 18:30 - Encounter with local and international experts. Theme: "Framing the urban: a photo-ethnographic approach"

Speakers:

- **TUMBTUMB** cultural association

TumbTumb will present the programme Super, the Festival of peripheries, a series of multidisciplinary urban projects addressing different aspects of the milanese peripheries. Tumbtumb's approach is based on dialogue, participation, creativity, and interaction.

## Thursday 7

**9:00 / 10:30** - Project feedback and orientation session at ASSAB ONE to discuss individual ideas, project development, get city tips, advices, support etc.

**10:30 / 17:30** - Individual work: participants are invited to carry out their projects.

**17:30 / 19:00** - Group and individual project consultation and reviews at ASSAB ONE.

## Friday 8
